QCC Mentoring February Newsletter

The City of
WORCESTER

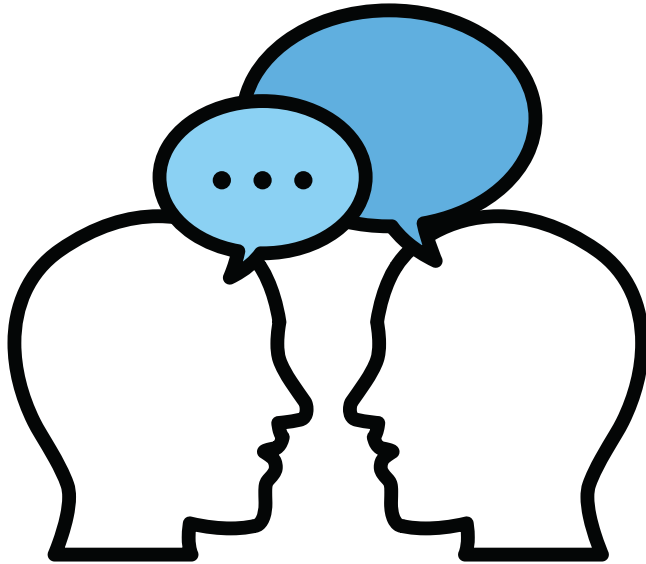

LETTER TO MENTEES & MENTORS:

Hello everyone!

Welcome to February! And to think that we only have a few short weeks left of winter. We hope you are all doing well and that you can work on getting or updating a LinkedIn profile. You may also want to visit the Career Services department. All information is provided for mentors in the February 2024 Mentor Guide. We also have several events for students this month so take a peek at those. Please reach out if you have any questions to mentoring@qcc.mass.edu.
